WORK EXPERIENCE

Chief Male DOS 2016-2016

Nigerian federation of Catholic Students

Chief Male Director of Socials, Nigerian Federation of Catholic Students (NFCS) – 2016
Planned and coordinated social events, fostering community engagement and student interaction. Organized programs that promoted networking, entertainment, and a vibrant social atmosphere within the organization.

Project Manager 2017 - 2019
PACO Youth Foundation

PACO Youth Foundation is a youth-driven organization dedicated to training and equipping young individuals with the skills and knowledge needed to become future leaders. Through mentorship, leadership development programs, and community initiatives, the foundation empowers youths to create a positive impact in society.

Secretary 2019 - 2020

Directorate of Entrepreneurship, SUG, Nnamdi Azikiwe University.

Provided administrative support, coordinated entrepreneurship programs, and assisted in organizing skill acquisition initiatives for students. Played a key role in documentation, communication, and fostering entrepreneurial development within the student body.

Chairman harvest committee 2023 - 2023

St Benedict Parish church Obokwu

Led the planning and organization of the church's annual harvest event, coordinating fundraising, logistics, and community engagement. Served with dedication to support the church's mission and promote unity among members while honoring God through service.

Chairman 2015 - 2022

SASSO 2014 Students

Provided visionary leadership in establishing and guiding the group for several years. Led initiatives that fostered unity, academic excellence, and personal development among members, laying a strong foundation for future leadership and growth.

Financial Secretary: 2013 - 2015

Unizik Mata l Anambra State

Managed financial records, budgeting, and expenditures for Unizik Mata, a prominent media platform dedicated to providing news, updates, and engagement for students on campus. Ensured transparency in financial transactions and contributed to the organization's growth through strategic financial planning.

SDG Governor (Sustainable Development Goals) 2025 - 2026

NYSC Camp, Kogi State

Led SDG advocacy and awareness campaigns aligned with the United Nations Sustainable Development Goals. Collaborated with stakeholders to drive impactful social interventions during service year.

Electronics Business Manager (NYSC Experience)
Managed daily operations of an electronics and electrical business. Diagnosed and coordinated repairs of electrical work. Developed practical skills in running and scaling a small business from scratch.

Real Estate Consultant : Apex Assets Limited 2024 – Present

Advised clients on land and property investments, helping them make informed decisions. Facilitated property sales and client acquisition through digital marketing strategies. Conducted market research and property valuation analysis.

Classroom Teacher 2014 – 2015

Taught secondary school students in Mathematics and physics subjects, improving academic performance. Developed lesson plans and provided academic mentorship. Built strong communication and leadership skills through classroom engagement.

Founder & CEO, Prince Kaka Global Resources (CAC Registered Company) 2021 – Present

Leading business operations in real estate, technology solutions, AI innovation, and digital services. Managing project execution, and business growth initiatives. Designed and developed three mobile applications currently available on the Google Play Store; NaijaLand, WorkMan, and BrainBox, from concept and development through testing and deployment. NaijaLand is a real estate marketplace, WorkMan connects skilled workers with job opportunities, while BrainBox provides educational learning resources for students.

2026 – Present

Founder & Executive Chairman, Kaka Humanitarian Foundation (CAC Registered Foundation/NGO)

Leading humanitarian and educational outreach programs focused on youth empowerment, education advocacy, community development, and social impact initiatives across Nigeria.
